CSE 523: Machine Learning

Group 17 - Hardly Humans
Weekly Project Report - 6

Quora Insincere Questions Classification

Name	Enrolment Number
Malav Doshi	AU1940017
Parth Shah	AU1940065
Sanya Zaveri	AU1920064
Mihir Pathak	AU1920138

1) Tasks Performed in the week.

- Project report
- Making presentation
- Making inferences out of graph formations.

2) Tasks to be performed in the upcoming week.
- History library is in keras and we are using sklearn so we can't extract epochs and loss for graph plotting.
- Dividing dataset into train, validation and test and performing model selection
